

December 2016

Open meeting

*Lawn Signs

Deposit has been put down and we will have them for Catholic Schools week
Price is \$10.00 price for each. MG will keep the money and checks will be written to MG.

*Honors

It was in the email recently. Please read the attachments.

Younger students will be doing individual classroom awards. Mr Marion will be discussing with the first and second grade teachers.

*Heating

A company is here doing quotes for regulators. There is no control over the amount of heat at this time. The rooms are extremely hot.

*Confession

It was asked that parents be notified of confession, before it happens.

*Safety—Parking lot

Removable speed bumps strips-taken out for plowing—suggestion.

Excessive speed noted in parking lots.

Permanent stop signs, new flow for traffic, crosswalk strips

Cell phone safety—during driving in the parking lot

*MG

Festival of Trees, Cookies profit \$4,000

Scrapbooking profit \$1,400

Santa Shop \$\$\$

Talent Show Feb 3, 2017—Emcee is Mr. Marion

More respect for the parking lot after the letter went home.

We are discussing that students will do an informal You Tube Video for parking lot safety.

WCS bus moving through the parking lot at a good clip. Busses travel through the parking lot. WCS is aware of the issue for busses traveling through the parking lot. Mr. Marion will call the bus compound.

*Athletics—not present

*Men's Club—not present

Repaired or replaced EXIT signs—JR HIGH and put in motion sensors for lights in bathrooms—JR HIGH.

*Teachers

Things are ramping up for Christmas.

*Student of the Month

Student once a month, award to student at school mass, have it in the church bulletin, criteria for teachers to choose, per home room or per grade, going through criteria per grade, citizenship, improvement, Catholic Identity, maybe struggling student?, do not want to discount those students.

*Nativity and Christmas Concert

Process for Nativity choosing

Brand new format for the show. New songs for this year.

8th grade usually gets picked first. Already did it in 7th grade, the 8th grade did not want to do it. They had just enough 8th grade girls. There was one 7th grade girl solo. One 8th grade girl for piano. Difficult time finding 8th graders to step up. Mr. Marion just randomly picked a repeating students who was 7th grade. There were limitations on practice and costumes. 15 or 16 were chosen for the Nativity. Parent: Some students expressed interest in the Nativity—they did not know Mr. Marion randomly picked students. Ms. Shalagan is still in charge. One night for next year? A different place next year? What makes the most sense for next year. Mr. Marion wants to get through this first year. Suggestion—give a certain number of tickets for adult tickets and then give back the ones that they do not use. Patrick Studio is not invited this year for the concert to take pictures or video. Call Center Line High School—Beth Thacker will call for price. Maybe an intermission for the concert for the next year if we go to another venue. Tickets per family? How many for each? Discussion for next year. Venue change may cost us and we can charge for the extra tickets after 4 per family or charge for tickets.

*Talent Show

Mr. Marion is performing

*Lice

Parent--A note home for all students, not just elementary. The buddies are the concern for the spread of lice. SC member—can we bag their book bags and jackets? Headphones for computers? Lots of interaction in the schools between the students may cause the spread. The band/music students put jackets on top of each other. What more can be done with the less exposure? How can we manage it better? How much more communication are we considering for the other communicable diseases?

*Snow Day

Mr. Marion will go along with Warren Consolidated
