

# ST. ANNE CATHOLIC GRADE SCHOOL

BUILDING THE CHAMPION CATHOLIC SCHOOL OF GOD

May 22, 2024

Dear Parents of St. Anne Catholic School,

Earlier this year, I wrote to you to share the appointment of Ms. Annette Lauria as our interim principal, tasked with leading our school while I undertook a thorough search for a new principal. As this search has taken place over the last few months, it became very clear that Ms. Lauria was excelling in her role and is the ideal fit for our community going forward. I am very pleased to announce that she has enthusiastically accepted the role of principal of St. Anne Catholic School.

Ms. Lauria joined our school family last fall, serving in the role of assistant principal. She has dedicated 30 years to the field of education, serving in roles including speech language pathologist, assistant principal of a middle and high school, middle school principal, and Administrator of Multi-Tiered System of Supports (MTSS) and School Improvement. She holds multiple degrees, including a Bachelor of Science in Speech Pathology and Elementary Education, a Master of Arts in Speech Pathology from Eastern Michigan University, and an Educational Specialist degree from Wayne State University with a focus in Elementary, Secondary, and Central Administration. She has done a wonderful job leading our community and is eager to continue accompanying your students on their spiritual and educational journeys. I am so grateful to Ms. Lauria for her readiness to continue supporting our students and school community in this way.

Please join me in welcoming Ms. Lauria to her new role. Thank you for your prayers and support for the St. Anne community, and please always know of my prayers for you and your families.

Sincerely yours in Christ,

Fr. John Kopson
